THE BREITBARTH SCHOLARSHIP FUND

The Rotary Club of the Tarrytowns established The Frederick Breitbarth Memorial Fund to provide financial assistance to deserving students who plan to further their training and/or education upon completion of high school. Post high school training includes college, vocational training and personal development, provided that it is the principal activity of the applicant after high school.

The fund was created to honor the memory of Dr. Frederick Breitbarth, a past president of the Rotary Club of the Tarrytowns, who was a leader in the community and lived the motto of Rotary: *Service Above Self.*

The financial awards are open to all high school **JUNIORS** who live or attend a public or private school in Irvington, Tarrytown, or Sleepy Hollow.

Criteria: Consistent with the motto of Rotary, *Service Above Self,* the primary criterion on which students will be selected to receive an award is the student's service to the community. Service to the community includes volunteer activities that help to improve your school, neighborhood, village, not-for-profit organizations, house of worship, and/or the lives of those around you.

Application Deadline: March 22, 2024

The completed application must be submitted to and signed by a member of your guidance office and returned with official transcripts.

Applications should be mailed to:
